

Raji Rudhrakumar

80 Strabane Way, Hampton Park, VIC - 3976 | 0421355709 | rudhraraji@gmail.com

Objective

I build customized cross-browser, cross-platform web sites and web applications. I use a wide array of the latest front end technologies, including: HTML5, CSS3, Preprocessors (LESS/SASS), etc. I integrate your HTML and CSS templates into some of the most popular open source CMSs available (WordPress, Open cart, Rails, etc.) or develop a custom solution for your personal needs. I make design of layouts, design of web-pages, redesign of existing projects, responsive web-design, design of WordPress themes and plugins, landing page design. Allow me to use my knowledge, skills and experience for personal and professional growth.

Technical Skills

Technologies	PHP, Apache, Rails on Ruby
Tools	Bit bucket, GitHub, MS Office Project 2016
PHP CMS	WordPress, Open cart, Magento
Database	MS SQL Server 2008/ 2012, MySQL
Scripting Languages	Angular JS, JavaScript, JQuery, AJAX
Mark-up Languages	HTML5, CSS3, Twitter Bootstrap
Methodology	SDLC, developed application using Agile Methodology (SCRUM/KANBAN)
