

Raji Rudhrakumar

80 Strabane Way, Hampton Park, VIC - 3976 | 0421355709 | rudhraraji@gmail.com | <http://rajiportfolio.herokuapp.com>

Objective

I build customized cross-browser, cross-platform web sites and web applications. I use a wide array of the latest front end technologies, including: HTML5, CSS3, Preprocessors (LESS/SASS), etc. I integrate HTML and CSS templates into some of the most popular open source CMSs available (Word Press, Open cart etc.) or develop a custom solution for personal needs. I make design of layouts, design of web-pages, redesign of existing projects, responsive web-design, landing page design. Allow me to use my knowledge, skills and experience for personal and professional growth.

Technical Skills

Languages	HTML5, CSS3, Bootstrap, PHP, Angular JS, JavaScript, JQuery.
Tools/Framework	Ruby on Rails, Bit bucket, Github, Dreamweaver, MS Office Project 2016, Photoshop
PHP CMS	Word Press, Open cart, Magento
Database	MS SQL Server 2008/ 2012, MySql
Methodology	SDLC, developed application using Agile Methodology (SCRUM/KANBAN)

Projects

GITHUB: Coded in Ruby - <https://github.com/rudhraraji/myportfolio>
Coded in Bootstrap - <https://github.com/rudhraraji/masaladosa>
